# Breezy Living Screen Solutions

*Create The Ultimate Outdoor Space*

The Breezy Living Screen Solutions system from Town & Country is an easy-to-use, affordable and fully retractable screen unit that provides comfortable outdoor living space. Working seamlessly with the operation of your existing garage door, the system uses a vertical and horizontal track system mounted directly inside the existing door, leaving the floor track-free. A "door-within-a-door" system, Breezy Living Screen Solutions is one of the most innovative and unique screen systems for garages and offers an exit door without the need to retract the entire screen. Built using high-quality components made in the USA, the Breezy Living Screen Solutions system easily installs in approximately one to two hours and brings the outdoors in, creating a comfortable space.

Now you can purchase this revolutionary system that makes a practical and enjoyable addition to any home or business.

- Made of high-grade aluminum
- Fits virtually any garage door size up to 16' x 7'
- 18 x 14 fiberglass screen (standard)\*
- 34" retractable door-in-door with gentle-close mechanism
- 2-year limited warranty
- Weather-sealed all around
- Available in white or bronze

*\*The system can accept any type of screen material*
