

Exterior Lighting

Town & Country
INDUSTRIES
Wholesale Aluminum and Building Products
A Division of ABC Supply Co., Inc.

Easy to install and use, Exterior Lights enhance your outdoor living spaces with an attractive, affordable and adaptable light source you can control with a dimmer. This innovative, patented new product is the only professional exterior lighting solution on the market and will shed new light on your outdoor living experience.

- Illuminates large areas including screened lanais, pool decks and balconies
- Allows users to control the intensity of light with a dimmer and a remote control for ease of use
- Specially designed to project light 170 degrees in the desired direction to avoid unwanted light pollution - will not affect neighbors
- Adaptable to any size outdoor living area - unique modular mounting system can be easily reduced or expanded
- Works with new construction or on existing homes, designed to fit nearly all standard screen framing
- Plugs into any standard outdoor GFI electrical outlet
- Available in white and bronze to match standard screen enclosure framing
- One-Year manufacturer warranty
- Proprietary design - you will not find a comparable product on the market anywhere!
- Available in LED or incandescent
