Screened Pool Enclosures

Increases "curb appeal" and helps to improve your home's overall value.

New and Improved

Today's pool enclosures have been re-designed to meet the most stringent Florida Building Codes. These changes were a direct result of the catastrophic 2004/2005 hurricane seasons. Town & Country uses only the highest quality aluminum with-in their products. The paint used on our aluminum is three times thicker than required by industry standards.

Increased Home Value

Pool enclosures are more affordable than ever before. The dramatic visual enhancement to the exterior of your home will add value, comfort and usability to your home.

Year-Round Comfort & Safety

Having an aluminum screened pool enclosure keeps your pool free from leaves, bugs and other unwanted debris. Your pool stays cleaner and requires less maintenance! Your pool is ready to use whenever you are.
