Aluminum Soffit

Adds a beautiful finishing touch to any home

Town & Country is proud to announce the availability of soffit that meets the new 2007 Florida Building Code. This new code went into effect March 1, 2009. This code ensures you that our products have the durability and longevity needed to withstand the extreme climate changes for your home.

Our aluminum soffit adds a beautiful finishing touch to any home, and stays attractive and durable with little care. Aluminum soffit from Town & Country performs as great as it looks, helping create a positive airflow in the attic so homes will stay cooler in the summer and drier in the winter.

Available in a variety of excellent paint retention colors:

White	Hickory Brown
Colonial Gray	Antique Ivory
Musket Brown	Charcoal Gray
Almond	Bone
New Ivory	Sandalwood
Sand Castle	Satin Gray
Brownstone	Mist Green
