# Titan Roll Down Screens

*Enhance your living areas with a designers' touch.*

Our Titan Screen Roll Downs are recommended for lanais, garage doors, decks, patios, balconies and sunrooms or commercial restaurant front area openings that could be utilized indoor and/or outdoor. Titan Roll Downs have an aesthetically luxurious appearance and will complement the beauty of your home or business and provide a net energy gain, as well as maintaining appropriate comfort levels.

Titan Screen Roll Downs are available in a variety of fabrics, densities and colors which provide the capability to block out up to 98% of Ultra-Violet (UV) solar rays and heat while allowing outward visibility and daytime privacy. Also providing: energy-efficient sun shading, climate control capability, rain & wind reduction and shelter against insects.

The Titan system offers a robust tubular motor and state-of-the-art electronics designed to stand up to the harshest coastal environments anywhere. The Corporate Headquarters are located in the United States.

Each Titan Screen System comes with an extraordinary five (5) year, 100% replacement warranty ... That means immediate replacement, No waiting!
