A Beautiful Finishing Touch for Any Home

Our Aluminum Soffit adds both beauty and functionality to your home. It stays attractive and durable with minimal care, all while improving attic airflow. This helps your home stay cooler in the summer and drier in the winter, making it as practical as it is beautiful.

Technical Specifications:

- Soffit tested to ASTM E330 Standards
- Meets Interior Region Wind Loads for 2007 Florida Building Code:
 - 10" Single Span: -60 psf
 - 12" Single Span: -50 psf
 - 14" Single Span: -38.5 psf
 - 16" Single Span: -30 psf
- Meets Coastal Region Wind Loads with a Single Center Wood Batten:
 - 16" Double Span: -70 psf
 - 20" Double Span: -60 psf
 - 24" Double Span: -50 psf

Easy Installation

- Can be installed with staples or t-nails.
- Suitable for wood studs or concrete blockhouses.

Contact us today for more information or a price quote and take the first step toward transforming your home.
