INDUSTRIES
Wholesale Aluminum and Building Products

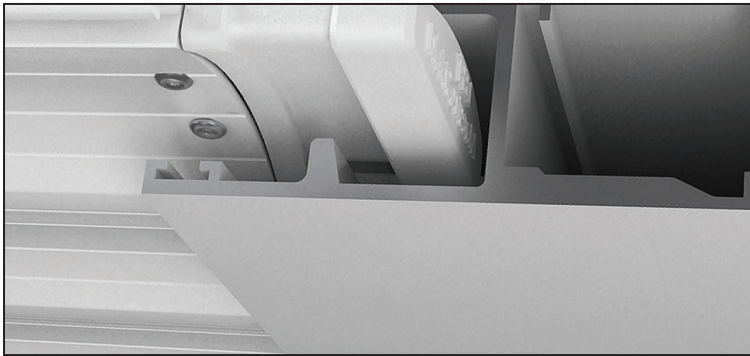

When it comes to protecting what matters most - your family, home, and business - trust Town & Country Industries. We offer a full line of reliable Eyewall Armor® shutters for year-round protection against extreme weather.

Engineered to be the best, our 44mm End Retention Roll Down Hurricane Shutters are designed for strength and beauty.

The EA 44 has been rigorously tested and spans industry leading widths up to 146.5"

The beauty is in the versatility of our system which offers the choice of slat venting, multiple colors, and a wide array of motors and electronics that will seamlessly integrate your system providing comfort and convenience.

They are approved by the Florida Building Code FL14235 Non-HVHZ & HVHZ, and Texas Department of Insurance SHU Evaluation.

Profile of EA 44mm End Retention Side Rail .

EA 44mm End Retention Aluminum Roll Shutter. Spans ranging from 5' to over 12' with loads from +-93 to +-40 respectively

Available in your choice of slat venting, multiple colors and a wide array of motors and electronics.

FEATURES INCLUDE:

- Nylon end retention guides are attached with aluminum rivets to avoid dissimilar metal reaction.
- One rivet every other slat end maximizes manufacturing time.
- Spans ranging from 5' to over 12' with loads from +-93 to +-40 respectively.
- Ultra quiet operation.
- Vented slats increase year round livability while keeping your home secure.
- 7" boxes house approximately 72" hanger slats and 8" boxes house approximately 108" hanger slats.
